

CUSTOMISED ACADEMIC LEARNING (CAL) GRADUATE SCHOOL OF BUSINESS (GSB) ACCOMMODATION OPTIONS - 2010

At the GSB you will eat, sleep, live and breathe the learning process. Freed from the demands and concerns of work and home environments, students will immerse themselves in an intense process of debate, discussion and discovery. To ensure that they enjoy maximum benefit from our unique learning process, we strongly recommend that students are resident on campus for the duration of the programmes.
