

INVITATION

FAIS REGULATORY EXAM PREPARATION SEMINARS

Starting in February 2012 the seminars will cover:

How to read and interpret legislation | Presentation on examination preparation techniques | Detailed discussion on the structuring of the exam questions, the various levels of questions and examples | Feedback on the exams | Appeal processes

INSETA Learning material and copies of FAIS legislation will be made available to stakeholders who attend. For your participation and attendance, please register your details through to the INSETA Call Centre, at 086 113 0013 or complete the registration form on the INSETA website www.inseta.org.za
