

The Insurance Sector Education and Training Authority (INSETA)

Request for Bids: Tender IPO/03/2007 - FAIS – Fit & Proper: National Learning Delivery Programme

The Insurance Sector Education and Training Authority (INSETA) invites suitably qualified providers to submit a proposal for consideration, to be appointed subject to the provisions of this RFB that can provide an opportunity to each Broker/Financial Advisor (FA) to be able to achieve their outstanding or remaining credits, by 30 September 2007, (or for new entrants into the sector, annually thereafter until 2009) through two national assessment opportunities. This will comprise writing an assessment set, moderated by an external examining panel, and quality assured by INSETA, or undergoing recognition of prior learning assessment and moderation, which is quality assured by INSETA.

The currently accredited providers must be given a basic curriculum and a set of learning material as well as a guide to setting an assessment tool, and a Recognition of Prior Learning assessment tool per qualification and NQF level. This will be done to ensure that each broker or FA who undergoes learning at any provider site, will have the opportunity to be prepared for the national assessment in line with the minimum acceptable standards required by INSETA, in terms of the knowledge, skills and competence required in the registered qualifications
