INVITATION TO PUBLIC UNIVERSITY OF TECHNOLOGY TO APPLY FOR FUNDING FOR WORK INTEGRATED LEARNING PLACEMENTS IN THE RELEVANT WORKPLACE

INSETA is looking to partner with Public University of Technology for Work Integrated Learning placement of Learners in relevant workplaces for the learners to comply with the workplace requirements of their qualifications. Applications must be in respect of Public University of Technology Learners who:

- Are unemployed South African youth up to the age of 35 years.
- Are actively seeking work experience and have successfully completed their studies theoretical component in the disciplines mentioned below :
 1. National Diploma in Marketing
 2. National Diploma in Finance
 3. National Diploma in Office Management & Technology
 4. National Diploma in ICT Communication

INSETA will fund these learners' stipends for the duration of the Work-Integrated Learning programme for 12 months.

Please Note:

1. Only Public University of Technology are eligible to apply (No direct applications from the learners to INSETA will be considered).
2. Only applications from the University of Technology will be considered. Learners must commence with the programme and be in the workplaces by not later than 01st October 2019.
3. University of Technology will be approved only subject to their compliance with the above-mentioned requirements and the availability of funds; as INSETA would like to reach all provinces with this project.
