THE ADVANCED DIPLOMA IN MANAGEMENT DEVELOPMENT - NQF LEVEL 7

THE BEST MANAGEMENT PRACTICES AND LATEST
STRATEGIES FOR SUSTAINING COMPETITIVE
ADVANTAGE OVER THE LONGER TERM.

WHAT?

The Advanced Diploma will provide an opportunity for delegates who have experience in middle management to achieve a rigorous qualification in management development in order to further develop their managerial skills and advance their careers.

WHO?

The Diploma is aimed at experienced middle managers in the insurance and financial services sector. This course is a significant investment by organisations in terms of time and commitment, it is aimed at high performers and middle managers with high potential.

The INSETA is delighted to announce that we are receiving applications for the Advanced Diploma in Management Development through the Graduate School of Business UCT.

WHY?

The ADMD will enable delegates to have a broad understanding of the fundamental aspects of the management process, in order to accelerate them towards more senior positions. The purpose of the programme is to prepare delegates who can make a significant contribution to human management needs within their organisations, through the development of innovative and strategic leadership, with a focus on emerging markets.

The purpose of this qualification is to equip delegates with the confidence and ability to apply and integrate the acquired skills, theories, concepts and methods appropriately and holistically with high levels of professional responsibility in the organization and environmental context they operate.
